

# **CRESCENT PARK ANNUAL SLASH EVENT**

**Friday, September 27, 2024**

## **GUIDELINES**

- Slash should be placed near the road in front of your property
- Nothing over 4 inches in diameter
- No dirt/rocks, pine needles, pine cones, or anything with a root ball – **NO STUMPS**
- Slash piles should be stacked 4 ft wide x 4 ft. high, ok to have multiple piles
- All ends should be facing the road for efficient loading into the chipper
- All slash must be out by end of day Wednesday, Sep. 25
- Slash piles will be previewed Thursday, Sep. 26
- *NO additional slash added after the 25<sup>th</sup>*

We are grateful to United Power for sponsoring this event for us again this year.

Chipping provided by Good People Tree Service.
